MINI WOLF COMPETITION

Enter our competition for the chance to win your very own mini wolf! Your mini wolf will be uniquely designed by one of our very talented artists.

Simply walk the Wolves in Wolves trail and find our extra special wolves with gold stars on their plaques. Each star contains a letter which helps to spell out a famous children's tale.

When you've collected all the letters, you can submit your answer via the competition page on our website: www.wolvesinwolves.co.uk

Good luck!

ABOUT WOLVES IN WOLVES

Wolves in Wolves is the biggest public art event ever to take place in Wolverhampton. A series of 30 beautifully decorated wolves, designed and painted by local artists, have been placed around the city centre at key landmarks. Schools in Wolverhampton have been busy decorating their own mini wolves too, which are on display at Wolverhampton Art Gallery from 8th July.

When the Wolves in Wolves trail closes on 24th September, our beautiful wolves will be up for auction to raise money for Outside Centre - a local disability arts charity, and the Mayor of Wolverhampton's charities.

So what are you waiting for?
